•The first four games of the season will be played by placing each team into a division at random. Once the fourth game has been played each team will be placed in a division according to their team record thus far. Teams with the better record will be placed in division 1 and all others in division 2.

•For the tournament, the top 2 teams from division 2 will move up to division 1 and lowest 2 teams of division 1 will move down to division 2.

•Standings will be emailed to the team captains weekly so each can track their progress.
